Sponsorship Opportunity

The Consulate General of the Kingdom of Sweden in Houston, the Swedish Embassy in Washington D.C., and the Swedish American Chamber of Commerce in Houston, in close collaboration with the Greater Houston Partnership, cordially invite you to hear about new energy and sustainability opportunities by bringing Sweden and Texas together. Here, you will meet business leaders, entrepreneurs, and other representatives from sustainable innovation sites in Sweden that will expand your platform for partner and customer discovery and business development.

Sustainable *Transition* in Houston 2023 offers **top-level speakers** and **panel discussions** on the theme of **Swedish Sustainable Transition and Innovations** that will provide you with an unique opportunity to connect with an **exclusive target group, network with other top executives** and **promote your company and region**. Additionally, there will be ample opportunities to mingle and connect over lunch, coffee, and evening activities.

A sponsorship of the Sustainable *Transition* in Houston 2023 gives you an unique opportunity to reach stake holders and business leaders of the Swedish–American community in one location, at one time, in a relaxed and professional setting.

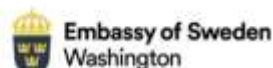

I look forward to discussing how you want us to **design the best possible sponsorship opportunity for you**, to maximize your exposure to this exclusive target group. Please find **proposed levels of sponsorship in the outline below**.

Yours sincerely,

Hans J. Cederlund

Chairman of the Board and President of Swedish American Chamber of Commerce Texas
